

ST JOSEPH CATHEDRAL

SPECIAL MEMORIAL GIFT RANGES

Special Memorial Gift Opportunities are intended for your consideration. Dedications of contributions for Memorials have been an inspiration to generations of our people. The designation of a specific gift will give many the opportunity to perpetuate the memory of their families and individuals or to memorialize departed loved ones. Such living Memorials will serve the needs of our parish & school community for present and future generations.

Let True Sacrifice Be Your Gift.
